

Holcombe Hockey Club Golden Postbox Schools Roadshow

Holcombe Hockey Club's Golden Postbox is coming to your school very soon.

Through English lessons, homework or challenges, your pupils are encouraged to write to Maddie Hinch, Shona McCallin, Sam Quek and Nicola White about their Rio 2016 Olympic memories, how they might have been inspired by the golden girls and what their hopes and ambitions are within sport.

We advise teachers to think about the creation of postcards, letters, stories, or inspiration cards and for each pupil to write to one Golden Girl individually, rather than to the group. Pupils should post their letters in the Golden Postbox for the Golden Girls to read at the end of the Roadshow.

The Golden Postbox will be delivered/collected so that you have it in school Tues-Thurs of your allocated week. Please submit (via email) two hi-res digital images (landscape) of your pupils participating in the roadshow. Please do take good care of the Golden Postbox.

Any questions please do not hesitate to contact Jon Rye, Co-Chairman & Director of Hockey, on director@holcombehc.org.uk or 07792 985006.

Keep an eye on the roadshow - www.holcombehc.org.uk/golden-postbox-roadshow
